

TRANSGENDERISM

THE RESHAPING OF REALITY IN OUR CULTURE

“ What had promised to be freedom had in fact become my prison cell...
God never let me forget who I was, no matter how hard I tried to forget. ”

Laura Perry had lived as a man for 9 years when she came face to face with the tension between her reality and God's perfect design. Come step into a story of repentance, faith, restoration and discovery of God's mercy as He pursued her desperate soul.

Who should come?

- Biblical counselors
- Pastors interested in knowing how to provide care for those struggling with gender confusion and family members
- Those struggling with gender confusion
- Those with loved ones who are struggling with gender confusion
- Those who desire a deeper understanding to enter the conversation
